

The School of Medicine presents ...

The Leeds Medico-Chirurgical Society

2021-22 Inaugural Lecture

Thursday 23rd September 2021 at 5pm

Dr Phil Hammond

Is laughter still the best medicine – or do you prefer vaccines?

Best known as “MD” of Private Eye, Dr Hammond has kept the nation informed about the realities of the pandemic. He is also a practising doctor and occasional comedian.

University of Leeds Conference Auditorium

Willow Terrace Rd, Leeds LS2 9DA
