

Leeds Local Medical Committee Event

CCG to ICS: What's the implications for general practice?

Tuesday 24th May, 7-9pm Weetwood Hall, Leeds

Leeds LMC will be hosting this event and invite you to attend.

The event is taking place on Tuesday 24th May 2022. Registration / buffet meal starting at 6:30pm with the event running 7-9pm, at Weetwood Hall, Lawnswood Suite, Otley Rd, LS16 5PS.

As you will be well aware, should the government's plans for NHS reorganisation be approved by parliament Leeds CCG will be replaced by the West Yorkshire Integrated Care System (ICS).

The LMC would like the event to be an opportunity to discuss what will be the potential impact for general practice and PCNs? Could it help to improve the way services are provided or will it feel like just another NHS reorganisation? Could it lead to a fundamental change to the way we work with other organisations, particularly the relationship between community and secondary care services?

We would like the event to give GPs and primary care staff an overview of the ICS before delving into the tangible changes relevant to general practice.

Key speakers

- Dr Richard Vautrey, Leeds LMC, Assistant Medical Secretary and Jim Barwick, Leeds GP Confederation, Chief Executive, will open the event to indicate the collaboration between the LMC and the Leeds GP Confed Confederation.
- James Thomas, Chair of ICS clinical forum and GP
- Rob Webster, Chief Executive-Designate of West Yorkshire ICS
- Tim Ryley, CCG CEO, providing a Leeds place-based perspective
- Ruth Burnett, Executive Medical Director, Leeds Community Healthcare NHS Trust and Leeds GP Confederation
- Leeds Clinical Director and GP
- With the chance for Q+As to help understand the impact this change will have on GPs, practices, and patients.
