

Support for general practice > *join our focus groups*

Be part of GPMplus's offer helping to develop a tailored support project for general practice. This will involve funded attendance at a series of focus group discussions.

About the project

NHSE/I has commissioned GPMplus to deliver this project to gain a better understanding of how general practice teams can be supported and developed, in order to develop a tailored support package to further support general practice workforce. To do this we will need to look at current support offers – who they are available to, uptake, usefulness, duplications, barriers to accessing, and most importantly identify the gaps in support. This will be done via a series of focus groups.

Although this is a West Yorkshire wide project, we understand there are different needs in different areas and therefore the focus groups will be place based. Likewise there will be different needs within practice teams so we will have practice team focus groups (inviting managers, administrative staff, receptionists, Nurses, other clinicians) and GP focus groups (inviting partners, salaried, locum and trainee GPs). We are keen to ensure we have a wide range of attendees to ensure good representation.

What's involved

The commitment will be 6 hours per attendee – this is for attendance at 3 focus groups between September and March. Reimbursement is available at the following rates:

- > GPs - £85ph
- > Practice Managers and other clinicians - £45ph
- > Administrative and support staff - £25ph

Why you should take part

- > To have your say
- > To ensure any new services really meet the needs of staff working in general practice
- > An opportunity to network with others working in general practice, to share ideas and experience
- > To find out more about wellbeing and support services
- > An excellent opportunity to evidence CPD

Register interest in getting involved by completing and returning the attached form to info@gpmplus.co.uk

Forms should be returned by 26 August, however please return your form asap as funded spaces are limited and will be allocated on a first come first served basis.

About GPMplus

Find out more about the range of wellbeing services available via GPMplus - our new website has been launched at
