Dear Colleague,

Can you kindly cascade this information to your colleagues please.

NHS PENSION SCHEME CONTRIBUTION CHANGES **Your "*Must Do*" in October 2022**

THURSDAY 6th OCTOBER 2022: 09.30am – 11.30am

This is a "***must attend***" event for all NHS Pension Scheme Administrators.

Getting to grips with the October changes presents a number of challenges for Employers. The outsourcing of the payroll and/or the pension function does not discharge these obligations.

ISM has in excess of forty years of administering the NHS Pension Scheme(s) and we are the leading provider of NHS Pension Scheme Training.

All employees who are eligible for the NHS Pension Scheme reside within the scope of the changes. Employees include "*Bank/As & When Required/Zero Hours Contract Workers.*"

There are presently three planned phased changes.

The first phase, including initial changes to the Contribution Tiers and Scheme Member Contribution Rates must be implemented in October 2022.

Question: *Who should attend workshop?*

Answer: *Everyone and anyone who is involved in the administration of the NHS Pension Scheme(s) including professionals working in the Payroll Team, Pension Team, Pensions Online Administrators, Finance Directorate, Human Resources Directorate and Outsourced Payroll and/or Pension Providers.*
